About the Leaders:

Chris Green:

Chris is a Marriage and Family Therapy Intern and Psy D. Student. He is a former Marine who also worked as a Deputy Sheriff. He is a Krav Maga Expert and brings all of these experiences to his work with men and their families.

Nick Ward, LCSW MAC, CADAC III:

Nick is a Licensed Clinical Social Worker, Master addictions counselor, and author of the book, "A Christian Manifesto for Surviving America". Nick's passion is to see men walk in healing with their God-given masculinity.

The purpose of camp is two-fold: to engage men through the warrior-spirit, reviving their sense of purpose, and to develop the calling to Christ-centered masculinity. Expect to be challenged, physically and mentally, in an atmosphere of support and encouragement.
